Budgets and Boards

MAYOR BRIAN JOHNSON

School is back in session and hopefully cooler weather is on the way.

The city council is currently finalizing next year's budget and preparing to interview and appoint board members in October.

If you'd like to apply, the deadline is Friday, September 11th at 5:00 p.m.

My second podcast with City Manager Bob Hart discusses the budget priorities and the process of allocating funds.

Last month's discussion on water and streets had forty listeners. Hopefully, as word spreads

that number will grow and we will continue to make them covering a variety of issues.

If you have a topic you would like addressed or a question answered, shoot me an email at mayor@cityofkennedale.com.

In the meantime, I'll be giving the "State of the City Address" at the Kennedale Chamber of Commerce Luncheon September 16th at 11:30 a.m. at Life Fellowship Church.

Apply to Serve on an Advisory Board or Commission

While the six-member council is elected, the boards that provide input to council are appointed. The city is accepting applications from residents through Friday, September 11th.

Anyone interested in how city government works, how decisions are made, or who wants to help shape Kennedale's future should apply.

For more information, contact City Secretary Leslie Galloway, visit the website, or attend a meeting to see firsthand how a board functions.

To apply, please visit:
