Mark Your Calendar: Election Day is Tuesday, November 8

MAYOR BRIAN JOHNSON

Next month, Americans will vote for a new President. Will you and your neighbors be there? Sadly, since 1968, voter turnout in Presidential elections has been below 60% and in Texas gubernatorial elections below 40%.

The success of representative democracy relies upon citizens being engaged and voting. As my good friend Mayor Ken Shetter of Burleson recently wrote, *"You have one job America... vote."*

The voters in each party have selected their candidates, and now it is our turn to select one of them to lead our great nation for the next four years. I'm a firm believer in the collective wisdom

of the American people, but that needs to be expressed through voting. Free and open elections are the hallmarks of a democracy that many have fought and died in defense of. Do not let their sacrifices go for naught. Let us do our part and vote!

The last day to register to vote in the November 8, 2016, election is Tuesday, October 11, 2016. Early voting begins on Monday, October 24, 2016, and ends on Friday, November 4, 2016. Are you registered?

Watch Mayor Johnson's State of the City address from last month's Kennedale Area Chamber of Commerce (KACC) luncheon at www.cityofkennedale.com/mayor.
