PRIVATE WELL PERMIT

Requirements

Your application **will not be accepted** if any of the below items are missing or incomplete. Incomplete applications will be returned and any paid fees are nonrefundable. Applications are processed within ten business days. To check the status of a permit, please email permits@cityofkennedale.com and include the property address and permit type.

- Contractor registered with Kennedale – Check registration status by emailing permits@cityofkennedale.com
- Well must be shallow (no paluxy or trinity type) maximum depth of a well is 200 ft.
- Well must be cased using either a ASPM-853 Grade B steel or better or a Schedule 40 PVC or better with a concrete head that prohibits runoff from reentering the well
- A private water well can only be used for landscaping irrigation purposes – not for potable use
- A copy of well digger’s log must be turned into the City of Kennedale
- Private water wells may be used for irrigation purposes only and that use is restricted to the property on which the well was installed – the well may not become a neighborhood or community landscape irrigation supply
- Private water well permit, an irrigation permit, and an electrical permit must be obtained from the Permits Department and inspections must be done before the well is put into operation
- Completed, signed, **legible** application form
