CITY OF KENNEDALE, TEXAS
ANNUAL PROGRAM OF SERVICES

TRANSMITTAL LETTER

September 19, 2012

Honorable Mayor and Members of the City Council:

I am pleased to present the draft FY2012-2013 Proposed Budget. I anticipated the general economy would have rebounded by now. It is still slow; thus this budget was difficult. On the positive side, we have aggressively identified cost reductions through various process improvements over the past four years. At the same time, we have focused on asset maintenance and established a solid infrastructure base from which to grow. Our work is consistent with your ends statement: *Kennedale is a family-oriented community providing a refuge from the hectic pace of the Dallas-Fort Worth Metroplex. Open spaces, green belts, and trails enhance our serenity, quality of life and community. With easy access from major roadways, Kennedale is economically prosperous, business friendly, and conveniently located, providing opportunities to shop, work and play.*

New Fiscal Year Statistics:

- Due to the finalizing of both ARB and incomplete accounts, property values are continually adjusted from the time we receive certified figures in September through the following September. For the FY11/12 budget estimate (2011 tax year), anticipate annual revenues are based on a valuation of \$545,518,316. Although the certified tax roll for July 2012 represents a 0.21% decrease, for FY12/13 (2012 tax year), the proposed budget is based on a valuation of \$549,488,317, which is an increase of approximately .72%.
- The Effective Tax Rate is approximately 73 cents.
- The Rollback Rate is approximately 81 cents.
- Sales tax is projected to be flat, with the opening of Quick Trip, Red's Roadhouse and additional businesses in the TownCenter offsetting the closure of the sexually oriented businesses.

Strategic Discussion:

- Anticipation that FY12/13 Budget will be as tight as this year, if not more so due to the general economy, federal budget issues (especially defense appropriations), and street and utility system maintenance. This trend is expected to continue through FY15/16.
- General Fund
 - On the expense side, salaries and associated benefits account for approximately 75% of costs. In an effort to successfully achieve the right mix given effective and efficient workload measures, we decreased from 84 employees in FY06/07 to 73 employees in FY12/13. Employees continue to

TRANSMITTAL LETTER

- streamline and assume expanded roles and duties. However, any decrease to staffing will result in impacts to service levels.
- On the revenue side, our main source of income is generated from property and sales taxes. The revenue available for operations and maintenance (O&M) has decreased 8 cents over the past 6 years. This decrease of approximately \$438,000 has been shifted from O&M to debt service. This debt is for the three road projects, and while essential for the long-term growth and development of the community, it has negatively impacted the sustainability of the General Fund.
 - The closing of the sexually-oriented business and new/reconstruction road efforts are helping play a vital part in expanding our tax base; however, we must continue to address ways in which we capitalize on these two components in reference to economic development and general fund revenue growth.
 - The diversion of franchise fees to the Street Improvement Fund several years ago put a strain on the General Fund by reducing income. But in turn, street maintenance efforts have increased, and according to the recent citizen survey, the overall perception has improved in reference to road accessibility and use. Street assets are being maintained rather than deferred.
- Economic Development must be a major factor in propelling growth.
 - As previously mentioned, staffing levels are adequate to support current operations. There is a minimum overhead that is required to operate the city organization, and population growth will allow us to further spread overhead costs over a greater base. In other words, the current overhead staffing level is also suitable to support a total population of 12,000.
 - The city needs to add population/housing units to the southwest part of town in order to stimulate economic activity along Kennedale Parkway and the TownCenter. The race tracks are significant impediments to residential growth. Consequently, the city should create a Tax Increment Reinvestment Zone (TIRZ) to incentivize the race track closure and residential development. Implementation of a TIRZ along New Hope Road is a high priority in this budget.
 - The newly adopted Comprehensive Plan must be implemented and incorporated in all facets of City operations.
 - Community appearance needs to be enhanced along Kennedale Parkway and Village Creek. These improvements will be done through the Texas Department of Transportation (TxDOT) Green Ribbon grant program, the NCTCOG Regional Transit Revenue (RTR), sidewalk grant, and targeted EDC incentives.
 - Aggressively work with Tarrant County to revitalize our transportation assets through the leveraging of county funds and programs.
 - Utility System not sustainable from a maintenance point of view.
 - Rates are high in comparison to surrounding communities.
 - Water storage tanks have not historically been maintained. Staff is investigating other strategies to fund tank maintenance, including monetizing assets without negatively impacting rates.

**CITY OF KENNEDALE, TEXAS
ANNUAL PROGRAM OF SERVICES**

TRANSMITTAL LETTER

- o The water distribution system requires attention to such basic features as looping or connection of dead-end lines, replacing undersized lines, and expanding service coverage, to include all Kennedale residents. Operationally, the system is good, evidenced by the Superior water system rating.
- o While we have made significant strides to reduce inflow and infiltration (i & i), it continues to be an issue that cannot be adequately addressed with current resources.

Financial Recommendations:

- Continue the 72.25 cent tax rate.
- For FY12/13, General Fund expenditures will exceed revenues by \$27,764 and leave a fund balance of 14.3%. FY11/12 revenues are estimated to exceed expenditures by \$20,325 ending the current year with a fund balance of 15.0%. The FY11/12 budget was initially adopted to finish at 11.7%.
- For FY12/13, Combined General Fund revenues will exceed expenditures by \$76,602 and leave a fund balance of 17.8%. FY11/12 is estimated to exceed revenues by \$369,722 ending the current year with a fund balance of 16.1%. The FY11/12 budget was initially adopted to finish at 13.7%. Our fund balance remains below the Government Finance Officers' Association of Texas (GFOAT) recommended reserve of 17% and Kennedale's fund balance policy of 25%. This budget is actually balanced and is gradually increasing the fund balance.
- For FY12/13, Street Improvement Fund revenues will exceed expenditures by \$108,590 and leave a fund balance of 35.2%. FY11/12 is estimated to exceed revenues by \$77,938 ending the current year with a fund balance of 14.8%. The FY11/12 budget was initially adopted to finish at 16.2%.
- For FY12/13, Water and Sewer Fund expenses will exceed revenues by \$396,225 and leave a fund balance of 14.0%. FY11/12 is estimated to exceed revenues by \$462,763 ending the current year with a fund balance of 24.8%. The FY11/12 budget was initially adopted to finish at 18.6%. The shift from ground water to Fort Worth water will necessitate a revision of current water rates in order to maintain the distribution system.

Operational Changes:

- For Vehicle & Equipment Replacement, purchase the following:
 - o General Fund - 1 Chevrolet Tahoe (\$33,750), Fire Lawn Mower (\$4,000)
 - o Street Improvement Fund - MaxiDump Bed Lift (\$32,000), Tractor (\$24,780)
 - o Stormwater Utility Fund - Roto Jetter Culvert Cleaner (\$19,456)
- Continue the connection of Arlington customers to the Kennedale water system (\$25,000).
- Implement Village Creek flood control study identified options through program applications with the Federal Emergency Management Agency (FEMA), Environmental Protection Agency (EPA), and/or the United States Army Corps of Engineers (\$100,000).

**CITY OF KENNEDALE, TEXAS
ANNUAL PROGRAM OF SERVICES**

TRANSMITTAL LETTER

Short-Term Goal(s)

- Fund and build a Public Works Administration facility to better serve our customers
- Complete 12" water line on Swiney Hiatt to improve water quality and fire protection at Falconwood Estates
- Add timer programming for booster pumps in SCADA so pump starts can be staggered to reduce water hammer
- Develop strategies to optimize the cost of water and volume purchased from the City of Fort Worth
- Continue eliminating 2" water lines
- Continue sewer line and manhole rehabilitation, smoke testing and installation of rain guards in manholes to reduce i & i
- Conduct water optimization training utilizing skills learned in Groundwater Optimization Workshops
- Conduct SCADA training
- Develop a Water Conservation Plan and ordinance separate from the Drought Contingency Plan
- Work on making public and waste hauling companies aware of the Waste hauling program, develop new forms and stickers to revamp the program
- Implement an automated work order system more organized approach to inventory
- Continue ditch cleaning program with Tarrant County
- Continue inspection of streets for proper pavement repairs and maintenance applications
- Ensure customer service inspections are performed by the building official and records maintained for future Sanitary Surveys as required by TCEQ
- Continue partnership with Tarrant County for maintenance needs in the City
- Complete Sublett Road and Little School Road bond projects

Long-Term Goal(s)

- Replace all AC water lines in distribution system (12" Dick Price Rd)
- Fund a full-time Administrative Assistant, Utility Analyst and Water Superintendent position
- Rehabilitation of at least one tank a year
- Install ground storage and booster pumps at the T2 site and larger ground storage tank at the T3 site
- Investigate strategies to reduce water taste and odor issues
- Continue reducing i & i by proactively inspecting and maintaining sewer lines
- Eliminate all mains less than 6" in the water distribution system
- Loop mains as needed to eliminate all dead end mains in the water distribution system
- Install inline chlorine residual analyzers and tie the signal into SCADA so the residual can be monitored continually
- Upgrade hardware and modify SCADA automation programming, to include old booster pumps at T3 site
- Tie customers onto Kennedale water that are in Kennedale but currently receive Arlington water

TRANSMITTAL LETTER

I appreciate the dedication of the employees and department heads who are working hard to share your vision for Kennedale. They have remained loyal and contribute daily to the strategic thinking that is essential to the organization's success. On behalf of all employees, we look forward to working with you through the coming year.

Respectfully Submitted,

A handwritten signature in blue ink that reads "Bob". The signature is stylized with a large, looping initial 'B' and a smaller 'ob' following it.

2012 Property Tax Rates in City of Kennedale

This notice concerns the 2012 property tax rates for City of Kennedale. It presents information about three tax rates. Last year's tax rate is the actual tax rate the taxing unit used to determine property taxes last year. This year's *effective* tax rate would impose the same total taxes as last year if you compare properties taxed in both years. This year's *rollback* tax rate is the highest tax rate the taxing unit can set before taxpayers start rollback procedures. In each case these rates are found by dividing the total amount of taxes by the tax base (the total value of taxable property) with adjustments as required by state law. The rates are given per \$100 of property value.

Last year's tax rate:

Last year's operating taxes	\$2,815,569
Last year's debt taxes	\$1,126,674
Last year's total taxes	\$3,942,243
Last year's tax base	\$545,639,170
Last year's total tax rate	\$0.722500/\$100

This year's effective tax rate:

Last year's adjusted taxes (after subtracting taxes on lost property)	\$3,936,159
÷ This year's adjusted tax base (after subtracting value of new property)	\$537,176,518
=This year's effective tax rate (Maximum rate unless unit publishes notices and holds hearings.)	\$0.732749/\$100

This year's rollback tax rate:

Last year's adjusted operating taxes (after subtracting taxes on lost property and adjusting for any transferred function, tax increment financing, state criminal justice mandate, and/or enhanced indigent healthcare expenditures)	\$3,176,285
÷ This year's adjusted tax base	\$537,176,518
=This year's effective operating rate	\$0.591293/\$100
x 1.08=this year's maximum operating rate	\$0.638596/\$100
+ This year's debt rate	\$0.172918/\$100
= This year's total rollback rate	\$0.811514/\$100
-Sales tax adjustment rate	\$0.070716/\$100
=Rollback tax rate	\$0.740798/\$100

Statement of Increase/Decrease

If City of Kennedale adopts a 2012 tax rate equal to the effective tax rate of \$0.732749 per \$100 of value, taxes would increase compared to 2011 taxes by \$47,490.

Schedule A - Unencumbered Fund Balance

The following estimated balances will be left in the unit's property tax accounts at the end of the fiscal year. These balances are not encumbered by a corresponding debt obligation.

Type of Property Tax Fund	Balance
General Fund	843,064
General Fund Debt Service	29,109

Schedule B - 2012 Debt Service

The unit plans to pay the following amounts for long-term debts that are secured by property taxes. These amounts will be paid from property tax revenues (or additional sales tax revenues, if applicable).

Description of Debt	Principal or Contract Payment to be Paid from Property Taxes	Interest to be Paid from Property Taxes	Other Amounts to be Paid	Total Payment
2005 \$790K CO	35,000	25,532	0	60,532
2006 \$300K TAX NOTE	50,000	1,088	0	51,088
2007 \$4.365M GO	154,375	76,854	0	231,229
2007 \$2.735M CO	140,000	81,200	0	221,200
2008 \$4.5M CO	105,000	175,981	0	280,981
2010 \$2.0M CO	75,000	76,620	0	151,620
2011 \$3.260M CO	170,000	98,750	0	268,750
Total required for 2012 debt service			\$1,265,400	
- Amount (if any) paid from Schedule A				\$0
- Amount (if any) paid from other resources				\$323,878

- Excess collections last year	\$0
= Total to be paid from taxes in 2012	\$941,522
+ Amount added in anticipation that the unit will collect only 100.00% of its taxes in 2012	\$0
= Total debt levy	\$941,522

Schedule C - Expected Revenue from Additional Sales Tax

In calculating its effective and rollback tax rates, the unit estimated that it will receive \$385,035 in additional sales and use tax revenues.

ORDINANCE NO. 512

AN ORDINANCE OF THE CITY OF KENNEDALE, TEXAS ADOPTING THE BUDGET FOR THE FISCAL YEAR BEGINNING OCTOBER 1, 2012, AND ENDING SEPTEMBER 30, 2013; AMENDING BUDGET FIGURES FOR THE PRIOR FISCAL YEAR BEGINNING OCTOBER 1, 2011, AND ENDING SEPTEMBER 30, 2012; APPROPRIATING RESOURCES FOR EACH DEPARTMENT, PROJECT, OPERATION, ACTIVITY, PURCHASE, ACCOUNT AND OTHER EXPENDITURES; PROVIDING FOR EMERGENCY EXPENDITURES AND EXPENDITURES AS ALLOWED BY APPLICABLE STATE LAW; PROVIDING FOR THE FILING OF THE BUDGET AS REQUIRED BY STATE LAW; PROVIDING THAT THIS ORDINANCE SHALL BE CUMULATIVE OF ALL ORDINANCES; PROVIDING A SEVERABILITY CLAUSE AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, the City of Kennedale, is a home rule city acting under its charter adopted by the electorate pursuant to Article XI, Section 5 of the Texas Constitution and Chapter 9 of the Local Government Code; and

WHEREAS, the City Manager of the City has filed with the City Secretary a budget outlining all proposed expenditures of the Government of the City for the fiscal year beginning October 1, 2012, and ending September 30, 2013, (hereinafter referred as the "Budget"); and

WHEREAS, the Budget, a copy of which is attached hereto as Exhibit "A" and incorporated herein for all purposes, specifically sets forth each of the various projects for which appropriations are delineated, and the estimated amount of money carried in the Budget for each of such projects; and

WHEREAS, the Budget has been filed with the City Secretary for at least thirty (30) days before the date the City Council makes its tax levy for the fiscal year and such Budget has been available for inspection by any taxpayer; and

WHEREAS, the public notice of public hearings on the proposed Budget, stating the date, time, place and subject matter of said public hearings, was given as required by the laws of the State of Texas; and

WHEREAS, such public hearings were held on September 12, 2012, prior approval of such date being hereby ratified and confirmed by the City Council, and those wishing to speak on the Budget were heard; and

WHEREAS, the City Council has studied the Budget and listened to the comments of the taxpayers at the public hearings held thereon and has determined that the Budget attached hereto is in the best interest of the City and that same should be approved and adopted.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF KENNEDALE TEXAS, THAT:

SECTION 1. All of the above premises are found to be true and correct and are incorporated into the body of this Ordinance as if copied in their entirety.

SECTION 2. The Budget as set forth in Exhibit "A," of the revenue of the City and the expenses of conducting the affairs thereof for the ensuing fiscal year beginning October 1, 2012 and ending September 30, 2013, is hereby adopted and approved, and there is hereby appropriated from the funds indicated therein such sums for the projects, operations, activities, purchases, accounts and other expenditures proposed in the Budget.

SECTION 3. That the revised figures, prepared and submitted by the City Manager for the prior fiscal year beginning October 1, 2011 and ending September 30, 2012, be, and the same are hereby, in all things, approved and appropriated, and any necessary transfers between accounts and departments are hereby authorized, approved and appropriated.

SECTION 4. No expenditure of the funds of the City of Kennedale shall hereafter be made except in compliance with the budget and applicable state law; provided, however, that in case of grave public necessity to meet unusual and unforeseen conditions, which could not by reasonable, diligent thought and attention have been include in the original budget, may from time to time be authorized by the City Council as amendments to the original Budget.

SECTION 5. The City Manager shall file or cause to be filed a true and correct copy of this ordinance, along with the approved Budget attached hereto, with the City Secretary. The City Manager shall file or cause to be filed a true and correct copy of this ordinance, along with the approved Budget attached hereto, and any amendments thereto, in the office of the County Clerk of Tarrant County, Texas, as required by State law.

SECTION 6. Any and all ordinances, resolutions, rules, regulations, policies or provisions in conflict with the provisions of this ordinance are hereby repealed and rescinded to the extent of conflict therewith.

SECTION 7. It is hereby declared to be the intention of the City Council that the phrases, clauses, sentences, paragraphs and sections of this ordinance are severable, and if any phrase, clause, sentence, paragraph or section of this ordinance shall be declared unconstitutional by the valid judgment or decree of any court of competent jurisdiction, such unconstitutionality shall not affect any of the remaining phrases, clauses, sentences, paragraphs and sections of this ordinance, since the same would have been enacted by the City Council without the incorporation in this ordinance of any such unconstitutional phrase, clause, sentence, paragraph or section.

SECTION 8. That this ordinance be in full force and effect from and after its adoption.

PASSED, ADOPTED AND APPROVED by the City Council of the City of Kennedale, Texas, this the 19th day of September, 2012.

APPROVED:

"EXEMPLIFYING EXCELLENCE"

ORDINANCE NO. 513

AN ORDINANCE FIXING AND LEVYING MUNICIPAL AD VALOREM TAXES FOR THE CITY OF KENNEDALE, TEXAS, FOR THE FISCAL YEAR BEGINNING OCTOBER 1, 2012 AND ENDING SEPTEMBER 30, 2013; DIRECTING THE ASSESSMENT AND COLLECTION THEREOF; PROVIDING A SEVERABILITY CLAUSE; AND AN EFFECTIVE DATE CLAUSE.

WHEREAS, the City Council of the City of Kennedale, Texas hereby finds that the tax for the fiscal year beginning October 1, 2012, and ending September 30, 2013, hereinafter levied for current expenses and the general improvements of the City and its property, must be levied to provide the revenue requirements of the budget for the ensuing year; and

WHEREAS, the City Council has approved on the 19th day of September 2012, the budget for the fiscal year beginning October 1, 2012, and ending September 30, 2013; and

WHEREAS, all statutory and constitutional requirements concerning the levying and assessing of ad valorem taxes have been completed in due and correct time, including providing notice of and conducting a public hearing regarding the ad valorem tax levied hereby.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF KENNEDALE TEXAS, THAT:

SECTION 1. For the current expense of the City of Kennedale and for the general improvements of the City and its property, there is hereby levied and ordered to be assessed and collected for the fiscal year beginning October 1, 2012 and ending September 30, 2013, and for each fiscal year thereafter until it be otherwise provided and ordained, on all property situated within the corporate limits of the City limits of the City of Kennedale, and not exempt from taxation by valid laws, an ad valorem tax rate of \$0.722500 cents on the One Hundred (\$100.00) Dollars valuation of such property.

\$0.549582 For the purpose of maintenance and operation.

\$0.172918 For the purpose of interest and sinking.

\$0.722500 Total Tax Rate

This year's tax levy to fund maintenance and operations expenditures does not exceed last year's maintenance and operations tax levy.

SECTION 2. That the taxes herein are levied according to law and shall be due and payable on October 1, 2012, and the same shall become delinquent on February 1, 2013. Should any taxpayer fail to make payment before the date of delinquency, the penalty as provided by law shall be assessed until the unpaid taxes and penalty have been satisfied.

SECTION 3. Pursuant to the authority granted by Section 33.07 of the Texas Tax Code, in the event that 2012 taxes and taxes for all subsequent years become delinquent on or after February 1 but not later than May 1 of the year in which they become delinquent, and in the event such delinquent taxes are referred to an attorney for collection, an additional amount of twenty percent (20%) of the total amount of tax, penalty and interest then due shall be added as collection costs to be paid by the taxpayer, for all taxes delinquent on or after July 1, 2013.

SECTION 4. Pursuant to the authority granted by Section 33.08 of the Texas Tax Code, the City further provides that all 2012 taxes and taxes for all subsequent years that become delinquent on or after June 1 of the year in which they become delinquent shall, in order to defray the costs of collection, incur an additional 20% of the delinquent tax, penalty and interest.

SECTION 5. In the event any section, sub-section, clause, sentence, or phrase of this ordinance shall be declared or adjudged invalid or unconstitutional, such adjudication shall in no means affect any other section, sub-section, clause sentence, or phrase of this ordinance, but all the rest thereof shall be in full force and effect just as though the section, sub-section, sentence, clause or phrase so declared or adjudged invalid or unconstitutional was not originally a part thereof.

SECTION 6. This ordinance shall be in full force and effect from and after its passage and publication as provided by law.

PASSED, ADOPTED AND APPROVED by the City Council of the City of Kennedale, Texas, this the 19th day of September, 2012.

APPROVED:

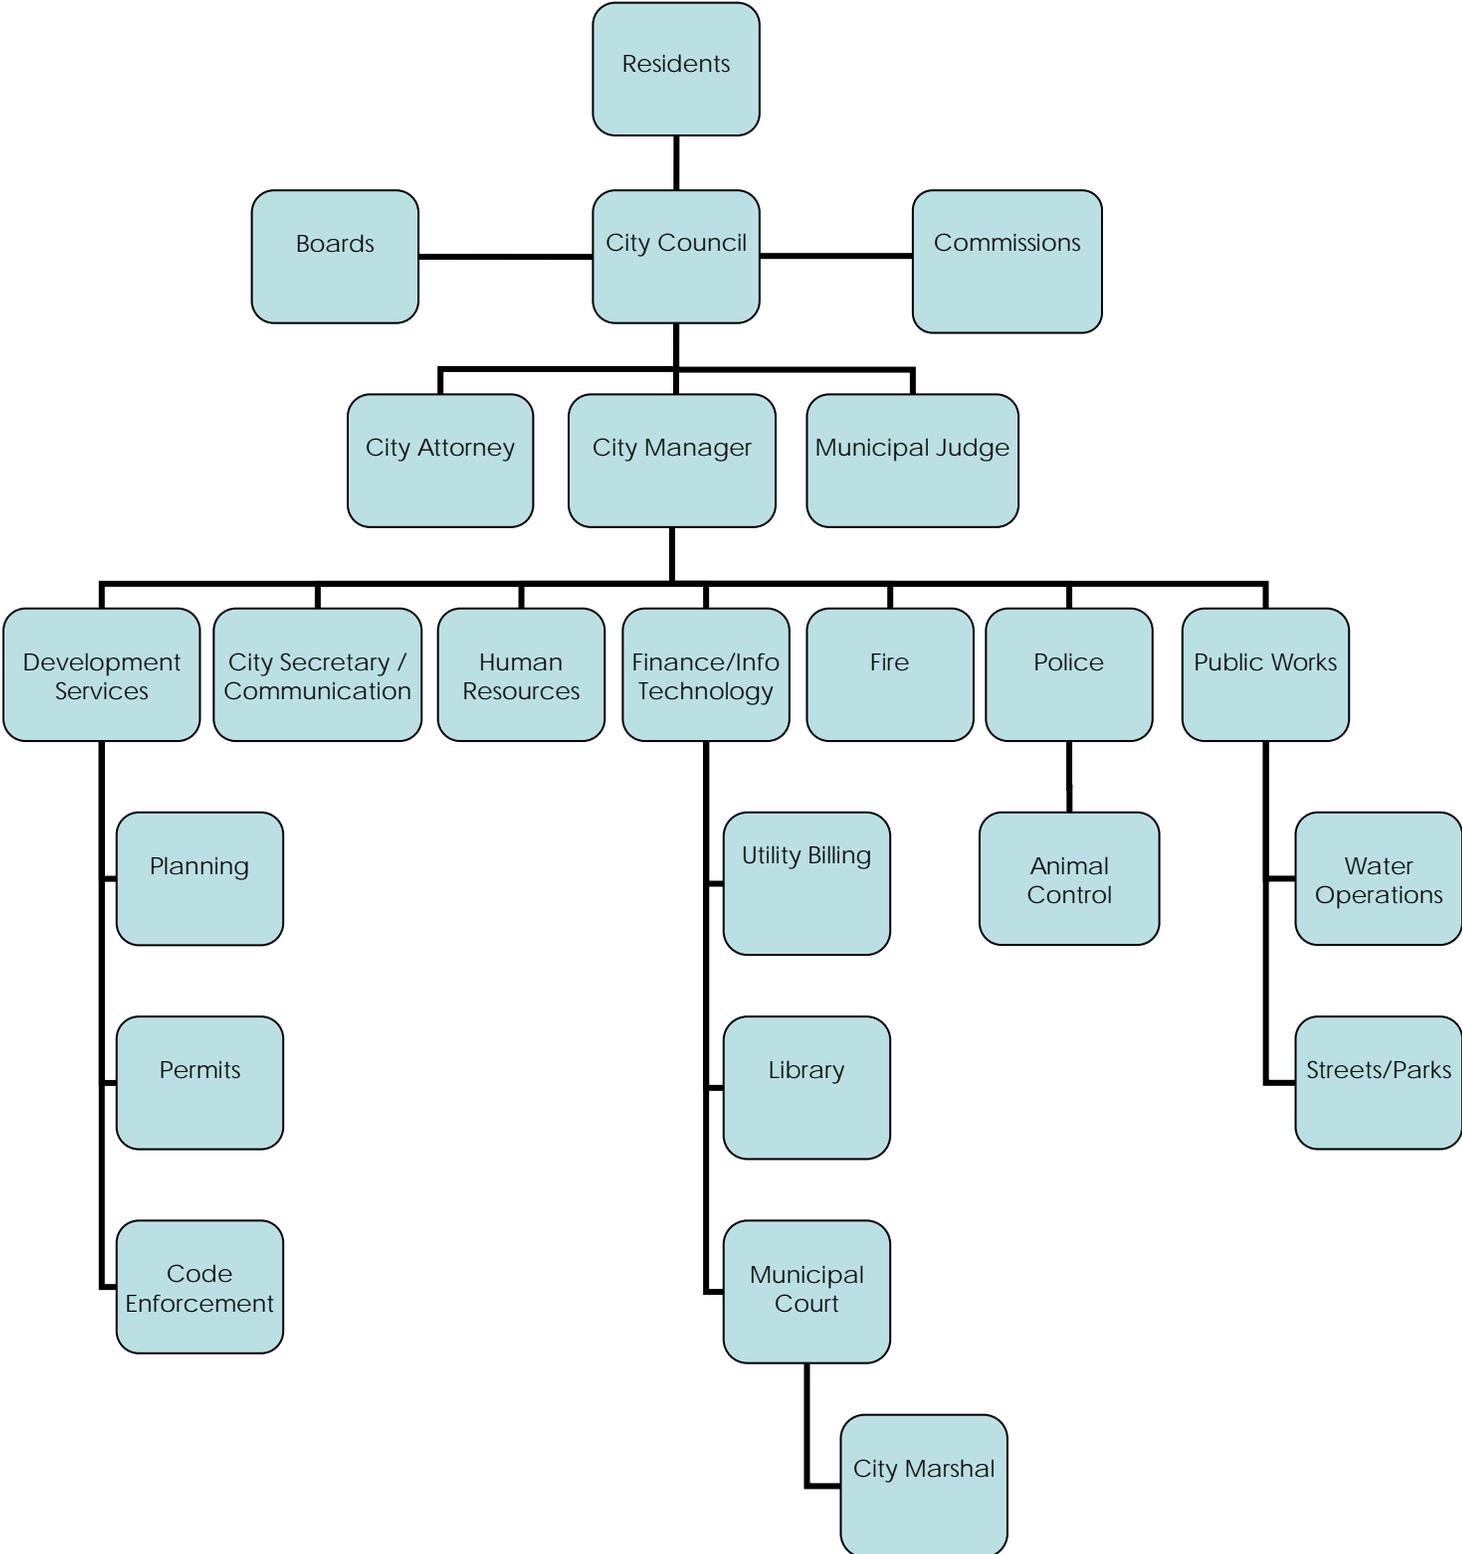

MAYOR, JOHN CLARK

ANNUAL PROGRAM OF SERVICES**

NEW/EXTENDED SERVICE PROGRAM (ESP)

FUND NUMBER/NAME:	01 - General Fund
SUBMITTING DEPT:	02 - Mayor & City Council
PROGRAM TITLE:	Council Chamber Audio/Visual Upgrade

TOTAL COST	\$ 35,051
RANK	1
NEW/REPLACEMENT	New

PROGRAM DESCRIPTION: (Enter a brief description of the extended service program or equipment.)
Upgrades to the Council Chamber include projection equipment, a drop-down projection screen, permanent City Secretary/Municipal Court administration computer stations and monitors for the dais, etc.

BENEFITS CLAUSE: (What is the overall benefit/savings to the City/Department?)
The Council Chambers are currently out of date, requiring presentation setup that is less than professional, difficult to maneuver, and do not accommodate external presenters' needs.

SAVINGS: (What monetary or time savings could be realized from this program?)
This project would allow city staff and councilmembers to add efficiencies to the meeting process, including less staff time for setup and tear down, and increased ease in retention of meeting recordings, linkage to the city network, increased transparencies, etc.

CONSEQUENCE: (What is the impact if this program is not funded?)
The Council Chamber will continue to be out of date and cumbersome for city staff, elected officials, and the public.

NEW/EXTENDED SERVICE PROGRAM (ESP)

FUND NUMBER/NAME:	01 - General Fund
SUBMITTING DEPT:	03 - City Secretary
PROGRAM TITLE:	City Vault/Record Storage

TOTAL COST	\$ 10,000
RANK	1
NEW/REPLACEMENT	New

PROGRAM DESCRIPTION: (Enter a brief description of the extended service program or equipment.)
Upgrades to the vault will include professional, secure file storage for permanent records that the city needs to maintain on-site.

BENEFITS CLAUSE: (What is the overall benefit/savings to the City/Department?)
The vault currently is out of date and ordinances, resolutions and other vital documents are not properly filed and are beginning to tear, fade and disintegrate. There are currently no filing cabinets for these documents. They are exposed to central air and dust.

SAVINGS: (What monetary or time savings could be realized from this program?)
This project would allow the city to keep permanent records in good condition and save records that are currently almost destroyed.

CONSEQUENCE: (What is the impact if this program is not funded?)
The city will begin to lose important historical and manadatory permanent records.

ANNUAL PROGRAM OF SERVICES**

NEW/EXTENDED SERVICE PROGRAM (ESP)

FUND NUMBER/NAME:	01 - General Fund
SUBMITTING DEPT:	09 - Police
PROGRAM TITLE:	Regional Jail Contract

TOTAL COST	\$ 63,000
RANK	1
NEW/REPLACEMENT	New

PROGRAM DESCRIPTION: (Enter a brief description of the extended service program or equipment.)
We have received a proposal from the Mansfield Correctional Facility to take over all of our jail operations. They will handle booking, housing, magistrate duties, bonds, etc., thus freeing our officers to spend more time on patrol. Mansfield has a much larger capability for housing inmates than just their city alone can fill. They are proposing to be a jail for Kennedale and Burleson PD.

BENEFITS CLAUSE: (What is the overall benefit/savings to the City/Department?)
Using Mansfield's facility will allow for more time to spend on patrol, will free dispatchers to concentrate on other duties, and free up our volunteer magistrates (currently the Director of Finance/IT and Court Administrator). We will free budget funds spent on food, linens, etc. It will also deflect a large amount of liability for jail injuries and deaths due to their having full-time jail staff on site 24/7.

SAVINGS: (What monetary or time savings could be realized from this program?)
Any saving realized in this agreement would be from the liability exposure and maintenance/upkeep. Our current facility needs approximately \$30,000 to \$35,000 worth of upgrades to keep it serviceable. In addition, should the state legislature be successful in bringing city jails under the Jail Standards Commission, we cannot meet their standards with our facility. Mansfield already meets the requirements, and we would not be in a scramble with other cities to find a provider.

CONSEQUENCE: (What is the impact if this program is not funded?)
We will continue to use our facility but will need immediate upgrades, to include basic necessities such as toilets, jail cell telephones, etc.

NEW/EXTENDED SERVICE PROGRAM (ESP)

FUND NUMBER/NAME:	01 - General Fund	TOTAL COST	\$ 8,003
SUBMITTING DEPT:	10 - Fire	RANK	1
PROGRAM TITLE:	DHHS Matching Grant Lucas Cardiac Compression Device (1)	NEW/REPLACEMENT	New

PROGRAM DESCRIPTION: (Enter a brief description of the extended service program or equipment.)
 In May 2012, we applied for a 48% matching grant to purchase a Lucas Automatic Cardiac Compression Device. The Lucas device ensures perfectly timed and accurately delivered compressions for victims of cardiac arrest. If approved, the equipment will be utilized by the crew of the fire engine during times when the ambulance crew is out of service due to transporting a patient or returning from the hospital or for a multi-casualty incident such as a crash, a local disaster or an active shooter. The Lucas device with a 12 month service contract costs \$15,503. Kennedale's share will be \$8,003, and the Department of Health & Human Services (DHHS) will pay \$7,500. The DHHS contract (if approved) begins in October 2012 and ends in September 2013.

BENEFITS CLAUSE: (What is the overall benefit/savings to the City/Department?)
 Sudden cardiac arrest is survivable if CPR is administered quickly and skillfully, and a viable patient is delivered to a hospital staffed by a cardiologist. The Lucas ACCD can deliver perfect compressions for as long as necessary to transport a cardiac arrest patient to the nearest hospital with a staffed coronary catheter lab.

SAVINGS: (What monetary or time savings could be realized from this program?)
 Without the DHHS grant, our cost for the Lucas ACCD would be \$15,503. Our savings is \$7,500.

CONSEQUENCE: (What is the impact if this program is not funded?)
 If the requested program is denied, we will lose the \$7,500 cost share available from DHHS. With only the single Lucas ACCD on the ambulance, our ability to treat cardiac arrest patients will remain less than optimum. Well documented studies conclude that both the quality and consistency of rescuer delivered compressions falls sharply and quickly resulting in diminished perfusion of oxygenated blood to the brain of cardiac arrest patients. Experienced and motivated medical personnel can only deliver good compressions for about two minutes.

NEW/EXTENDED SERVICE PROGRAM (ESP)

FUND NUMBER/NAME:	01 - General Fund	TOTAL COST	\$ 50,000
SUBMITTING DEPT:	05 - Human Resources	RANK	1
PROGRAM TITLE:	Tuition Reimbursement	NEW/REPLACEMENT	New

PROGRAM DESCRIPTION: (Enter a brief description of the extended service program or equipment.)
 The Kennedale Action Team has requested the City consider a new policy offering tuition reimbursement to those employees seeking to further their education by attending college. This policy would apply to those seeking undergraduate or graduate level degrees in areas that would benefit the city, such as business administration, public administration, nursing, criminal science, finance, etc. The draft policy is attached for review. It provides for 2 classes per semester at a maximum of \$2120 per class or \$8480 per year. 16 employees interested/50% apply and not all would make A's Not everyone will take 4 classes per year.

BENEFITS CLAUSE: (What is the overall benefit/savings to the City/Department?)
 Currently, the City does not offer any type of benefit equal to a tuition reimbursement program. This benefit helps offset the cost of tuition for those employees interested in seeking a degree of higher education. The knowledge gained by the classes benefit the City by providing a more well rounded educated staff member interested in learning and growing. This benefit offers motivation, boosts morale and can serve as a succession plan for those employees interested in moving up in their career.

SAVINGS: (What monetary or time savings could be realized from this program?)
 No savings in dollars, but could actually benefit the City in the long-term by providing succession planning through educating and promoting our own employees for career development, which may inadvertently affect the costs associated with turnover, hiring and training replacements.

CONSEQUENCE: (What is the impact if this program is not funded?)
 Since the program does not currently exist, there are no negative consequences should the program not be funded.

PROGRAM TITLE:	Online Application

TOTAL COST	\$ 4,400

NEW/REPLACEMENT	New

PROGRAM DESCRIPTION: (Enter a brief description of the extended service program or equipment.)
This is a one time expenditure to set up the online application. The current website has an application that does not cover all the questions that the City asks. To customize the application so that it matches our form, CivicPlus has indicated an additional one time fee to make the necessary changes.

BENEFITS CLAUSE: (What is the overall benefit/savings to the City/Department?)
Applicants would be able to complete the application online rather than down loading and faxing or mailing it in. The online application process has a benefit of perhaps soliciting more applications for job openings due to the convenience of being able to submit the application at the time the job search is taking place.

SAVINGS: (What monetary or time savings could be realized from this program?)
This is mainly a benefit to the applicant or end user. Internally, this would streamline our application process, reduce paper use and allow staff to store documents electronically.

CONSEQUENCE: (What is the impact if this program is not funded?)
If the city does not approve this expenditure, I will continue linking the hardcopy of the application for download. The process will remain the same and no ill affects will occur.

SUBMITTING DEPT:	05 - Human Resources	RANK	3
PROGRAM TITLE:	Caliper Assessment Solutions	NEW/REPLACEMENT	New

PROGRAM DESCRIPTION: (Enter a brief description of the extended service program or equipment.)
The Caliper Assessment is an online assessment program that profiles candidates and assists managers in understanding a clear, accurate, picture of the candidate's strengths, limitations, motivations and potential, so that the manager can better match the right person to the right job. Works in conjunction with Requisite Organization, and the competing values framework.

BENEFITS CLAUSE: (What is the overall benefit/savings to the City/Department?)
The overall benefit is that managers are able to view the profile and understand the strengths and limitations of candidates to determine (one last time and objectively) if this candidate is the right match for the role interviewed and whether this candidate fits the organizational culture. Will assist us in making the best hire from the pool of candidates provided.

SAVINGS: (What monetary or time savings could be realized from this program?)
No savings other than the better matching candidates to roles, which reduces the need for termination during probation and recruit and rehire, which costs time and money for the department. No contract is needed to utilize this service. It is a pay as you go. We will need to budget a few assessments just to have the service if needed. This service can also be used as a development tool for current employees and may be a good place to start.

CONSEQUENCE: (What is the impact if this program is not funded?)
Continue the hiring process as is. This will not have a huge negative affect other than the few times we have not made the best hiring decision for a variety of reasons. This program allows us to talk with a trained behavioral specialist who can evaluate the candidates profile against what the role requires and assist in whether this would be a best fit. We will recieve interview questions to follow up with to better analyze if we want to make a final offer or not.

FUND NUMBER/NAME:	01 - General Fund

PROGRAM TITLE:	Wellness Program

TOTAL COST	\$ 18,870
RANK	4
NEW/REPLACEMENT	New

PROGRAM DESCRIPTION: (Enter a brief description of the extended service program or equipment.) The recent employee survey indicated that 53% of the employees surveyed believed that a Wellness Program would be important to include in the overall benefit package. Research is inconclusive on how wellness programs actually affect overall health of employees or costs to the employer.
BENEFITS CLAUSE: (What is the overall benefit/savings to the City/Department?) Research is inconclusive on how wellness programs actually affect overall health of employees or employer costs. Most published articles state that wellness programs are beneficial to encouraging overall good healthy habits and encouraging weight loss, following doctor orders and improving attendance and presenteeism. But all have indicated that some type of incentive and disincentive is important for program effectiveness.
SAVINGS: (What monetary or time savings could be realized from this program?) There is actually no known savings other than hopefully over the long term. We would experience reduced insurance claims, improved employee health, and perhaps less use of sick leave.
CONSEQUENCE: (What is the impact if this program is not funded?) This program has some potential to affect overall claims of the insurance program, which long term can effect renewal costs and assist in maintaining insurance costs. The other side to note about this program is that all the elements of this program can be paid for with the deinceptive (stick) of employees who do not participate. So, the program is set up that if an employee doesn't participate, he/she pays \$75 per month of his/her health insurance premium. This creates a surplus of about \$18,900, which then would fund the wellness program for those who do participate, providing biometric screenings, a wellness program administrator and some type of incentive for those participating.

FUND NUMBER/NAME:	01 - General Fund	TOTAL COST	\$ 11,365
SUBMITTING DEPT:	12 - Community Development	RANK	1
PROGRAM TITLE:	Part-Time Permits Clerk/Administrative Assistant	NEW/REPLACEMENT	New

PROGRAM DESCRIPTION: (Enter a brief description of the extended service program or equipment.)
Create a part-time employee position to serve as Permits Clerk/Administrative Assistant. The employee would also be responsible for administrative tasks for the community development department, as time permits.

BENEFITS CLAUSE: (What is the overall benefit/savings to the City/Department?)
Currently, only Kendra and Rachel are trained in processing permit applications and issuing permits. Whenever one is out for meetings, vacation, or sick time, if the other one is pulled for meetings or goes to lunch, there is no one available to issue permits. Any customers who call during those times or stop by the office cannot get the help they need. Having a trained part-time employee will allow operations to continue and customers to be served without interruption. In addition, this department has no administrative help. The part-time employee could help James and Rachel with administrative duties, such as maintaining files, mailing business license and contractor renewal letters, processing pay requests, and keeping supplies ordered. Rachel and Kendra are not able to maintain a contractor renewal letter program due to time limitations. The part-time employee could be responsible for sending out contractor renewal notices monthly. These notices remind contractors to renew their registrations and could generate extra revenue of approximately \$1,000-\$3,000 per year.

SAVINGS: (What monetary or time savings could be realized from this program?)
First, this program will save time for customers. If they stop by when no one is available to help them, they have to waste time coming back later, and it also costs them work time at the job site, as it delays when their permit will be issued. In addition, having a part-time employee for administrative tasks will free up time for James to do more inspections, rather than having to do paper work.

CONSEQUENCE: (What is the impact if this program is not funded?)
Permits office will continue to be closed whenever Rachel and Kendra are out of the office at the same time. Contractor renewal letters will be mailed infrequently.

FUND NUMBER/NAME:	01 - General Fund	TOTAL COST	\$ 11,000
SUBMITTING DEPT:	12 - Community Development	RANK	2
PROGRAM TITLE:	ANSI Type I or Type II Sound Level Meter	NEW/REPLACEMENT	New

PROGRAM DESCRIPTION: (Enter a brief description of the extended service program or equipment.)

Better enforcement of noise nuisances requires better equipment. We are requesting an ANSI Type I or Type II sound level meter (preferably Type I) that measures sound levels and frequency. Some nuisance noises occur at low frequencies, which may not be picked up by lower-cost and lower-quality sound level meters. The requested meter would be a professional-level meter meeting the same ANSI standards for sound level meters used by OSHA and professionals in the field of acoustics. [Cost is based on quotes received from sound meter companies in 2011. Quotes at that time were around \$9,000, but I've been told by the representatives from one company that prices have since increased. I estimate the cost now to be approximately \$11,000.]

BENEFITS CLAUSE: (What is the overall benefit/savings to the City/Department?)

Enforcement staff would be in a much better position to know when violations are occurring and to have more reliable information to use when enforcing noise nuisance regulations. Higher-quality meters are much more likely to stand up to challenge than a lower-quality sound meter would.

SAVINGS: (What monetary or time savings could be realized from this program?)

Staff does not have the proper equipment to do sound level monitoring of the kind needed to pursue City goals related to nuisance noises. If we do not buy this equipment, then we will have to hire consultants to do the testing for us. By purchasing the equipment, we will have not have to pay consultants. Not having to hire consultants will save money for the city over time.

CONSEQUENCE: (What is the impact if this program is not funded?)

The Permits Department has no equipment for measuring sound levels. Although we could buy a lower-quality meter, readings from a lower-quality sound level meter may not measure sound at the frequencies needed for accurately determining nuisance levels, and it may not generate information that will stand up to challenge.

PROGRAM TITLE:	Permit Counter	NEW/REPLACEMENT:	New

PROGRAM DESCRIPTION: (Enter a brief description of the extended service program or equipment.)
The Permit Department does not have a counter that designates where to conduct permits business. Instead, the office has two desks currently used by staff. When customers come in, it is not clear where to go for permits. Also, when fire fighters are in city hall, they have no place to wait except in the same office (when one firefighter is meeting with Chief, others on shift have to be in city hall at the same time and have nothing to do but sit and wait). The firefighters sitting by the Admin Assistant/Permits Clerk can cause more confusion to customers, who are not sure if they're in the Permits Office or the Fire Department office. If a counter were installed, then it would be clear to customers where they can pick up permits, and it would leave space in the back of the front office for fire fighters to meet or wait.

BENEFITS CLAUSE: (What is the overall benefit/savings to the City/Department?)
Customers--both residents and contractors--will be more comfortable visiting the Permits Department. In addition, if the Permits Clerk were stationed at the counter, then there may be adequate space at the back of the office (where clerk/admin is currently located) for a small table and chairs that could be used for meetings with customers or developers and for firefighters to wait while in city hall.

SAVINGS: (What monetary or time savings could be realized from this program?)
The Permits Department could be better organized for customer service.

CONSEQUENCE: (What is the impact if this program is not funded?)
The Permits Department will continue to be a confusing place for customers to visit.

NEW/EXTENDED SERVICE PROGRAM (ESP)

FUND NUMBER/NAME:	01 - General Fund
SUBMITTING DEPT:	17 - Library
PROGRAM TITLE:	Enclosed Patio

TOTAL COST	\$ 89,500
RANK	1
NEW/REPLACEMENT	New

PROGRAM DESCRIPTION: (Enter a brief description of the extended service program or equipment.)
Purchase materials to enclose the Library's patio with glass walls, tile floor and a dormer added to the existing roof. A/C heating units would need to be purchased for the additional 745 square feet (estimate \$120 per square feet).

BENEFITS CLAUSE: (What is the overall benefit/savings to the City/Department?)
Will allow the Library to continue programs and services when the Community Center is required for elections and other civic activities. Will also offer additional space for the community and city to schedule for meetings.

SAVINGS: (What monetary or time savings could be realized from this program?)
Would eliminate the need to reschedule or cancel regular meetings and programs due to the Community Center or equipment being needed for civic affairs.

CONSEQUENCE: (What is the impact if this program is not funded?)
Continue to cancel library programs and community services/meetings.

NEW/EXTENDED SERVICE PROGRAM (ESP)

FUND NUMBER/NAME:	10 - Water/Sewer Fund	TOTAL COST	\$ 35,000
SUBMITTING DEPT:	02 - Operations	RANK	1
PROGRAM TITLE:	Hydro Excavator	NEW/REPLACEMENT	New

PROGRAM DESCRIPTION: (Enter a brief description of the extended service program or equipment.)
Purchase a Trailer mounted Hydro Excavator Unit complete with high pressure water pump, high volume vacuum pump and spoil holding tank.

BENEFITS CLAUSE: (What is the overall benefit/savings to the City/Department?)
Unit may be used to remove debris and soil from water valve boxes. The loose sandy soils in Kennedale continuously silt in the valve boxes and operating valves. A valve cleaning and valve exercising program allows the valves to be accessed and operated in emergency situations during large water breaks. The machine may also be used to safely excavate areas where utilities are dense and crowded. May also be used in the Stormwater Program for cleaning storm drain inlet boxes.

SAVINGS: (What monetary or time savings could be realized from this program?)
The unit will cut down on labor and time involved with cleaning valve boxes and storm drain catch basins. Allows maintenance crews to quickly shut down water leaks, saving water and our customers unnecessary water outages. Potholing of smaller water leaks and safer excavation around gas and telephone lines, thus cutting down on the amount of damaged utilities.

CONSEQUENCE: (What is the impact if this program is not funded?)
Water leaks may not be valved off and shut down in a timely manner. Storm water catch basins may not be cleaned due to limited access and manpower.
