

Excel 4 Construction L.L.C.

NOTICE

Dear Homeowner,

Excel 4 Construction, L.L.C. has entered into a contract with the City of Kennedale to replace water lines in your neighborhood. This construction is part of a Project called “3rd Street Water Improvements”.

The construction process requires us to install the new water line on your street. We may have to dig a pit in your yard to reconnect your water service to the new lines. All disturbed areas will be restored to as good or better condition including sprinkler systems. Prior to beginning construction, we will be sending a crew to surface video record yards and properties.

We will strive to keep the inconvenience at a minimum.

The superintendent for this project will be Javier Vasquez. He may be contacted at (817)401-1433.

If you have any questions please call Mr. Vasquez. Should you be unable to reach him, please call our office at (817)457-3399.

The City Inspector for this project will be Dennis Brown. He may be contacted at (817)507-6648.

The Director of Public Works for the city of Kennedale is Larry Hoover who may be contacted at (817)985-2170 EXT. 2601.

Thank you for your cooperation.
