### **Hammack Creek Off-Site Sewer Installation – Notice Letter**

To whom it may concern,

San Saba Construction will be performing the installation of the off-site sewer system to serve the Hammack Creek Apartments project located at 337 Kennedale Sublett Rd.

All installations will be observed by an inspector from the City of Kennedale.

This sewer line installation will require multiple phases of street closures that will affect traffic flow along Kennedale Sublett Rd.

All traffic control plans have been reviewed and approved by the appropriate authorities.
